

**PROPOSAL FOR
SPONSORSHIP AND
PARTNERSHIP**

**International Conference on Advanced Plasmonics,
Magnetics, and Magneto-optical Technologies**

ICAMPOT 2021

MAY 2021

ABOUT ICAPMOT

Seed nanotech International Inc. conference series would like to invite you to one of the most awaited and informative international conferences on Advanced Plasmonic, Magnetism and Magneto-Optical Technologies (ICAPMOT). The conference is further themed on magneto conference, optical conference and technology conference.

This international conference will not only lead to the dissemination of crucial information on magnetism and plasmonics but will also include a practical demonstration of the uses and applicability of the technology in various fields like diagnostics, health, science etc.

Further, this technology conference will provide a stepping stone to various researchers, scientists to understand various practicalities and challenges involved in the operation of such technologies and in understanding the practical and rational approach to operating particular automation.

“THE 2021 ICAPMOT IS GOING TO BE VIRTUAL”

Who will be the attendees of ICAPMOT 2021?

- International Members and Delegates
- International Students
- Local Members and Non- Members (Nepal)

ICAPMOT 2021 Discussion Topics:

- Magneto- Plasmonics
- Biophotonics
- Magnetism And Magnetic Materials
- Youth Entrepreneurship

ICAPMOT 2021 will witness involvement of some international Fraternities from Science and Technology sector.

Below are the listed Speakers so far:

1. Dr. Panna B. Thapa | Professor of Pharmacy & Controller of Examinations, Kathmandu University| Nepal
2. Dr. Shyam P Lohani | Founder / Academic Director & Professor, Nobel College| Kathmandu, Nepal
3. Dr. Jose Miguel Garcia Martin | Scientific Researcher| Spanish National Research Council, Spain
4. Dr. Ravi Hadimani | Professor & Director of Biomagnetics Laboratory, Virginia Commonwealth University| USA
5. Dr. Tara Dhakal | Professor, Binghamton University | Director-Electrical and Computer Engineering; Center for Autonomous Solar Power (CASP)| USA
6. Dr. Narayan Unni KN | Senior Principal Scientist, CSIR-National Institute for Interdisciplinary Science and Technology| India
7. Dr. Pankaj P. Khirade | Professor in Physics, Department of Physics, Shri Shivaji Science College, Amravati (MS), India
8. Mr. Bikash Shrestha | Biomedical Engineer, Nepal
9. Dr. Dolendra Karki | Michigon Institute of Technology, the USA

Be a Partner/ Sponsor

So many reasons to be a proud event Sponsor / Partner:

- Gain International Exposure
- Platform to express yourself Internationally
- Showcase your innovations
- A stepping stone in getting International recognition
- And many more...

Partnership/ Sponsorship Packages

EVENT PARTNER (1 Title)

- ✓ You will be our Event Partner
- ✓ "XYZ" Presents ICAPMOT 2021
- ✓ 30 Seconds talk about your Brand in the beginning of the session.
- ✓ 30 Seconds talk about your Brand in the beginning of the session.
- ✓ Share in our Promotional Campaign (Facebook, Twitter, Linkedin, International Forums)
- ✓ Chance to talk about the Event and represent your brand

300\$

EVENT SPONSOR (1 Title)

- ✓ You will be our Event Sponsor
- ✓ ICAPMOT 2021 Sponsored by ""
- ✓ 15 Seconds talk about your Brand in the beginning of the session.
- ✓ 15 Seconds talk about your Brand in the beginning of the session.
- ✓ Share in our Promotional Campaign (Facebook, Twitter, Linkedin, International Forums)
- ✓ Chance to talk about the Event and represent your brand

200\$

(Note: If you have any Innovations and Research works, we will give you an opportunity to present it upon discussion)

EVENT CO-SPONSOR (2 Title)

- ✓ You will be our Event Co-Sponsored
- ✓ ICAPMOT 2021 Co-Sponsored by
- ✓ 10 Seconds talk about your Brand in the beginning of the session.
- ✓ 10 Seconds talk about your Brand in the beginning of the session.
- ✓ Share in our Promotional Campaign (Facebook, Twitter, Linkedin, International Forums)
- ✓ International Press Releases

150\$

Be a Supporter

- ✓ You will be our Supporter
- ✓ ICAPMOT 2021 Supported by
- ✓ Shout out to your Brand in the beginning of each session.
- ✓ Shout out to your Brand towards the end of each session.
- ✓ Share in our Promotional Campaign (Facebook, Twitter, Linkedin, International Forums)
- ✓ International Press Releases

Any Legit Contributions

Mileage and Exposure:

1. Promotion Campaign (Facebook, LinkedIn, Twitter etc)
2. Guest Speakers to share in their Social Channels (9 International Guest Speakers so far)
3. International Press releases
4. Get a chance to Speak about your Brand and talk about the Event.
5. The series of recorded events will be created and shared later.
6. All the panels will share on their respective Social platforms, forums and scholars.
7. Expand your reach to countries like: USA, India, Spain, Germany, Japan etc.
8. A special time will be delegated for you to speak about your Innovations.
