

CALL FOR PAPERS

Abstract Submission Opened: November 1, 2023

Abstract Submission Closes: February 15, 2023

ICAPMOT

May 23- May 26, 2023 | On Site

<https://seednanotech.com/icapmot-2023>

Business, Marketing, Advanced Plasmonics, Magnetics, and Magneto-optical Technologies, Innovation and Entrepreneurship.

TOPICS WILL INCLUDE BUT NOT LIMITED TO:

TECHNOLOGY

- Technology and Innovation for Mankind
- Industrial and Production Engineering Technology
- Nanotechnology based on Plasmonics, Magneto-optics, Magneto-plasmonics, Photonics, and Related fields

ENTREPRENEURSHIP, BUSINESS AND MARKETING

- Technology, Business, Marketing
- Leadership, Entrepreneurship and Business Management
- E-Business, E-Government, E-Banking

"TECHNOLOGY LEADS BUSINESS, MARKETING, AND INDUSTRIAL DEVELOPMENT."

We warmly welcome you to the anticipated ICAPMOT 2023 Conference. The conference will be held in beautiful Niagara Falls in Canada. The themes of this year's conference are Technology, Business, Marketing and Industry.

The section on technology includes all the latest technology based on electrical, electronics, material science, physics, chemistry, biology, optics, and related subfields whereas the section on entrepreneurship, technology, business, and marketing will discuss topics including leadership, entrepreneurship and business management, e-business, e-government, e-banking, and marketing.

The conference serves as a meeting place for professionals in both the business and technological fields. These professionals might work in fields related to business development and management, for example. The conference will provide an excellent forum for the exchange of information and the gaining of an understanding of the current state of the art in regards to business, technology, and leadership. It will also provide the opportunity to share ideas and interact with successful business owners and executives from around the world. Speakers and attendees come from all over the world, representing a wide range of stakeholder groups, including research and academic institutions, industrial and commercial sectors, and government organizations. We look forward to catching up with you at the upcoming conference.

CALL FOR PAPERS

Abstract Submission Opens: January 15, 2023
Abstract Submission Close: February 15, 2023

ICAPMOT

May 23- May 26, 2023 | On Site

<https://seed-nanotech.com/icapmot-2023>

Symposium: Advanced Plasmonics, Magnetics, and Magneto-optical Technologies. Focused on Education, Innovation and Entrepreneurship.

TOPICS WILL INCLUDE BUT NOT LIMITED TO:

- TECHNOLOGY
- ENTREPRENEURSHIP
- BUSINESS
- MARKETING

TUTORIAL SPEAKERS INCLUDE:

- To be added soon.

INVITED SPEAKERS INCLUDE:

- Dr. Niranjana Devkota (Quest International College Kathmandu, Nepal)
- Prof. Atsufumi Hirohata (University of York, United Kingdom)
- Prof. Hiromasa Shimizu (Tokyo University of Agriculture and Technology, Japan)
- Mr. Searose V. Koirala (Hospitality Sector Pokhara, Nepal)
- Prof. Santosh Karki (San José State University San Jose, USA)
- Prof. Ramesh Pokharel (Kyushu University Fukuoka, Japan)
- More to be added soon.

STUDENT SPEAKERS INCLUDE:

- To be added soon.

IMPORTANT DATES:

Registration Opening:

March 1, 2023

Abstract Submission:

Open: January 15, 2023

Ends: February 15, 2023

Notice of acceptance:

March 1, 2023

Virtual Conference Dates:

May 23th - May 26th, 2023

Registration Closing:

April 24, 2022

Time:

To be determined

Last Years Plenary Speakers:

Prof. Dr. Laura Lechuga

Prof. Alexander Ramm

Last Years Tutorial Speakers:

Prof. Bhavin Shastri

PLENARY SPEAKERS INCLUDE:

Dr. Alexandre Brolo;
Professor of Chemistry,
University of Victoria,
Victoria, BC, Canada

To be added soon.

To be added soon.
